

ASFA Chesley Awards Ballot

This is the official final voting ballot for the 24th annual ASFA awards, the Chesleys. The Chesley, named for the great astronomical artist, Chesley Bonestell, started in 1985 as a means for the SF and Fantasy art community to recognize individual works and achievements during a given year. This year's awards are for works and achievements in the period from January 1 to December 31, 2008.

This is a ranked preference vote. Within each category please rank each nominee by order of preference, with "1" for your first choice, "2" for your second choice, and so on. Unranked nominees will not be tallied. Images of the nominated artwork can be viewed by going to the ASFA web-site: (www.asfa-art.org/chesley2009.html)
